*SCHEDULE SUBJECT TO CHANGE*
In this unique moment in time “now more than ever” takes on new meaning as we consider the importance of coming together. Take advantage of multiple opportunities to connect with a trusted peer network and engage through in-depth conversations about the critical issues impacting your organization.

**NETWORKING**
Connect directly with other HR leaders with similar areas of interest.

**EXECUTIVE ROUNDTABLES**
Through small-group discussion, Executive Roundtables provide premier opportunities to share honest insights and experiences on the vital topics impacting business and shaping the decisions that lie ahead.

**STRATEGIC PARTNERS**
How do you maintain your culture and productivity while working remotely? How do you help your employees stay safe and healthy? How do you navigate the current business climate? Experts from the industry’s top firms will be available to discuss the products and services that can address even the most complex organizational challenges.
